Assistant Director for Research and Reports

O/RR Support to O/PC

1. Effective immediately, because of the reorganization of CIA, the Office of Research and Reports will no longer be in a position to support your office as in the past.

2. Intelligence support in the fields of Soviet and Satellite economy, world-wide transportation, strategic commodities and geographic intelligence will continue to be furnished as required.

3. It is expected that all projects already received from your office will be completed.
